Via EFS-Web

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Sir:

This paper is filed in response to a telephonic Examiner Interview conducted on July 13, 2006 between Examiner Tieu and the undersigned regarding the above-referenced application. As an initial matter, Applicants thank the Examiner for the kind and courteous Interview and the effort in moving this matter towards allowance.

Specifically, the Interview was directed to a possible Examiner's Amendment to cancel claim 40. Examiner Tieu indicated that canceling claim 40 would leave only allowable claims and permit issuance of a Notice of Allowance. Therefore, the undersigned agreed with the proposed Amendment. The Applicants thank the

Examiner for his careful consideration and look forward to receipt of the Notice of Allowance.

CONCLUSION

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 303-571-4000.

Dated: 7/14/06

Respectfully submitted,
